RE: MOORILLA HOBART TENNIS INTERNATIONAL

Dear Tim

Tennis Australia would like to take this opportunity to thank Radar Promotions for their invaluable service for the ANZ International to what is now known as the Moorilla Hobart Tennis International over the past 7 years. Your company undoubtedly has helped keep the event within Tasmania through hard work, passion and dedication. Your company's relationships with major businesses around Tasmania is unquestionable, securing ongoing major relationships with corporate partners and value adding to the event, as well as increasing the revenue for the event by a significant amount each and every year through different concepts, initiatives and promotional activities through value adding. All helping to make the Moorilla Hobart International the number one sporting event in Tasmania. The prime example being the 2007 event which was seen by over 100 million people worldwide.

Tim, I would also like to take this opportunity to thank all the staff at Radar Promotions for their dedication and professionalism along with their communication skills in making this an event of international standard.

Tennis Australia has now decided to take control by bringing all tennis events around Australia in line and utilising the different state tournament managers thus giving these events continuity and consistency across the nation.

Tennis Australia has found Radar Promotions an extremely professional company to deal with and would no doubt utilise your services again in the future if circumstances require.
